Such people are in error. It coats little to have a neat flower garden and to surround your dwelling with with those simple heauties which delight the eye far more than iexpersive objects. If you let the sunshine and the dew adorn your yard they will do more for you than any artist.— Nature delights in beauty. Sheloves to brighten the landscape and make it agreeable to the over the stump of a withered tree twines the graceful vine. A thousand arts she practices that a home cannot be beautiful without a congraceful vine. A thousand arts she practices nois, and who are under the age of twenty-one Combined Reaper and Mower, to animate the senses and please the mind. in this State; and Roderick R. Wampler, a resident of said Dallas county, Texas, who is a minorunder the age of twenty-one years and who has no regular guardian in this State—defendants broke and entered the close of petitioner and trod down the grass and herbage of the value of three thousand dollars, that said defendants fraudulently set up title to said tract.

MILLER, WINGATE & CO'S. KENTUCKY

We are new building for the harvest of 1846, five hundred Continued Resping and Mowing Machines, of our own construction, and to which we will give the most unqualified warrantee as to their performance in every respect 1 and that they shall be of best transferial, construction and workmanship, than any other similar machine in use. Price, cash, \$140.

This machine is warranted to cut, with one pair of horses, from 12 to 15 acres of any kind of small grain per day, or 8 to .0 acres of grass? 1 and to do it better than can be done with the cradle or seythe. Follow her example, and do for pourself what she is always laboring to do for you. Beauty is a divine instrumentality. It is one of God's chosen forms of power. We never see creative energy without something beyond mere existence, and hence the whole universe is a teacher and inspirer of beauty. Every man was born to be an artist, so far as the appreciation and enjoyment of beauty are concerned

some to be an artist, so far as the appreciation and enjoyment of beauty are concerned and he role himself of one of the precious gifts of his being, if he fails to fulfill the beneficent purpose of his creation.

The Collins Line of Steamshlps.

At the collation given in New York, on Monday, after the new steamship Adriatic had been launched, Mr. Collins made a speech, and referring to the charge that English capitalists had invested a portion of their money in these steamships he said:

In respect to that I will simply say that not a dollar of the capital invested in them is owned by English merchants. Mr. James Brown is a naturalized citizen, and has been for more than fifty years, and there is not a Brown interested in them who is not a citizen of this cauntry. Mr. Humilton, a Scotchman, was successive more and some and successive methods and appear before the Hon, the District court for the country of Dalcautry. Mr. Humilton, a Scotchman, was some and the said tract of 1856. And from ear experience and success last season, together with the additional precaution of having secured at the new steamship Adriatic had been launched, Mr. Collins made a speech, and referring to the charge that English capitalists had invested a portion of their money in these steamships he said:

In respect to that I will simply say that not a dollar of the capital invested in them is owned by English merchants. Mr. James Brown is an anturalized citizen, and has been for more than fifty years, and there is not a Brown interested in them who is not a citizen of this capitaly. Mr. Humilton, a Scotchman, was some and the part of the borses-our machine height of the country of Dalcautry. Mr. Humilton, a Scotchman, was some and a present the minors therein be an analysis when has a series of 1850. And from expectation of the citizen of this work to the non-residents, to appear and answer the men are and answer the men and will guite the most unqual-life description of the corresponding to the charge the following was a state of 1850 a las aforesaid, on the first day of the next term country. Mr. Hamilton, a Scotchman, was thereof, to be held at the court-house in the willing to claim them as belonging to his countown of Dallas on the 16th Monday after the try; and that, too, even when the Atlantic went 4th Monday in March 1856, then and there to

and get their money.

They will grind Corn and Cob us fine as desired, at the following rate, per hour, with one horse.

No 1, 4 to 5 bushels per hour. Weight 250 lbs. Price \$25.

No 2 6 to 5 bushels per hour. Weight 400 lbs. Price 50.

The above prices include the complete Mill ready to high the to without any further expense, and can be set in operation in five

We suld in but two letters out of the scores received commendatory of our Crushers, and they will be recognized as coming from gentlemen of high classener, who are largely engaged in stock raising and feeding in Kentucky.

Form grainment of the feeting in Kentucky.

Formst Grove, Franklin county, Ky., Nov. 7, 1855.

Messer, Miller, Westarra & Co...—Gentleinen.—I have used one of your Kenticky Corn and Cob Mills for two months, and find it every thing that a farmer needs in that way. I grind on it sixty hashels per day with one horse; making a fine arrived of crisk and with apparently no fatigue to the horse. Taking into consideration the quality of the crush, the simplicity of its construction, lightness of draft, strength and cheapness, I consider it the best article of the sind that has ever come under my notice.

Very Bespectfully,

MILLER, WINGATE & CO'S, KENTUCKY

of wheat, or twice as many cats per day.
